Subject: RIG Invitation for the Bitterrot Valley

This meeting is scheduled for Thursday July 17th, 2008 10 AM to 3PM @ the Bitterroot River Inn Hamilton- The Meeting is free and we do provide lunch:

The State of Montana Department of Labor, Workforce Services Division, will be conducting Montana's Regional Innovation Grant (RIG) Community Meetings in Region 1 from July 17 through July 22. Ours is on Thursday, July 17th from 10am-3pm at the Bitterroot River Inn in Hamilton - lunch is provided at no cost. Please open the attached invitation for details.

Our basic industries such as timber and manufacturing are in transition. Through the RIG, we will develop a unified regional approach to support our businesses and their future workforce development needs. Community members will learn about the RIG, share ideas, and be part of our region's future. The community meetings will prepare the participants for a regional training and planning event in Missoula in August. We'll keep you informed.

Please register from the second website listed below and call Diana at the Bitterroot Job Service Workforce Center 375-6053.

For more information on the Regional Innovation Grant visit our website at www.employflathead.com. A full narrative of the Grant is listed.
